INTRODUCTION

4. Hadi Textile

HadiTextile warmly welcomes you to have a look on our company profile. We are located in Pakistan's Industrial hub Faisalabad City .

This city also known as the "Manchester of Pakistan".

The rise of Company epitomizes a true success story that was a passion to grow which develops leaders in society and the same way developed high level progress of Hadi textile business.

HadiTextile can be quoted as an example of tremendous growth in a short span time within few years. This is our high level of contribution is not only to industry but also beneficial to the society. We translate conceptual ideas of our customers into reality and shape them through our technical bent and professional acumen. We ensure quickest possible turnaround of shipments with strict compliance as per our customer's specifications.

Further, to make our marketing endeavor more efficient and interactive with our overseas buyers, we have established a strong marketing team.

MISSION / VISION

Hadi Textile

MISSION

The mission of Hadi textile is dedication to the highest quality of customer service delivered with a sense of warmth, friendliness, individual pride, and company spirit."

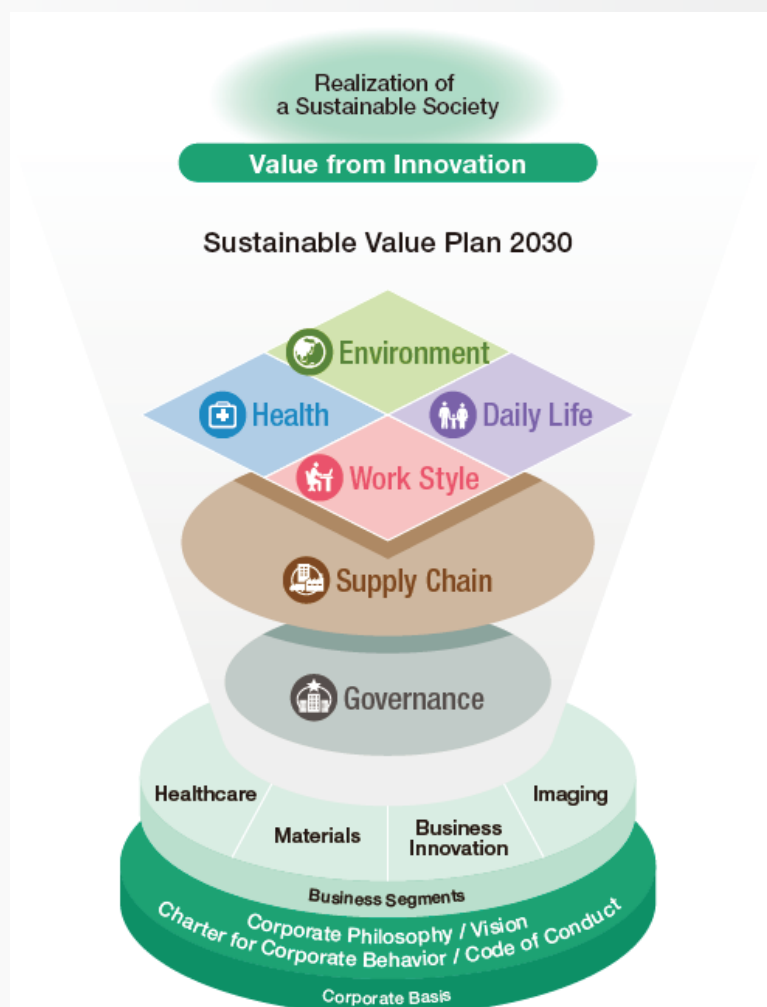

VISION

Hadi Textile has aimed to be a competitive and customer focused organization with continuing commitment to excellence and standards

**Corporate social responsibility is a hard-edged business decision.
Not because it is a nice thing to do or because people are forcing
us to do it... because it is good for our business**

Environment

Reduce our own environmental impacts and contribute to the resolution of environmental issues.

Health

Create a healthy society through the process of prevention, diagnosis and treatment in healthcare.

Daily Life

Support the tangible and intangible aspects of social infrastructure in people's lives through various products, services and technologies.

Work Style

Promote social change where every person is motivated in the workplace through extending our in-house work style reforms.

Supply Chain

Strengthen CSR foundations across the entire supply chain including factors of the environment, ethics, and human rights.

Governance

Improve and maintain governance structures by further disseminating an open, fair and clear corporate culture.

Our biggest challenge in this new century is to take an idea that seems abstract – sustainable development – and turn it into a reality for all the world's people.
